Your gateway to success: Embark on your journey in Aesthetics with Sese Skills Centre. This course is your first step toward building a thriving practice.

Why choose Sese Skills Centre?

Clinic Sese is a private aesthetics and wellbeing clinic offering comprehensive:

CPD Accredited Training: Elevate your career with fully accredited training that stands out. Sese Skills Centre provides a thorough curriculum to launch you into the dynamic field of Aesthetics.

Highly experienced qualified instructor: Learn from the best! Our instructor boasts extensive experience and qualifications to guide you through every step of your Aesthetics journey.

In the safest environment: Your safety is our priority. Our training takes place in our private hospital location, ensuring the highest standards of safety and hygiene.

Limited delegate numbers: You will train in a small group of a maximum of 8. This is to enable you time to interact, with others and your instructor, ensuring you get the most from your training, and allowing you maximum hands on practise.
